

Sell gold – easily & reputably

To begin with, each piece that you bring along will be individually inspected and weighed in front of you.

You will see how the value is determined for each individual piece. This service we offer is completely non-binding and free of charge. We then ascertain the value based on the [currently daily rate](#). If you decide to sell, we then pay you the calculated price in cash immediately. We buy gold & silver for the best prices. Incidentally: you can also sell silver at a good price with us - find out about our services!

We also buy gold by post or home visit

It's not just gold you can sell at our branch. We also offer you the chance to use our postal dispatch or home visit service.

Benefit from the same high purchase prices you would expect in our shop and sell anything made of gold and silver. This includes, for example, scrap gold, broken gold, white gold, jewellery, silver, dental gold, coins, bars, and much more.

Find out more and read our worthwhile tips for selling gold. Our specialists are also happy to advise you if you wish to purchase precious metals such as gold. [Contact us!](#)
